

You are cordially invited to STEM (Science Technology Engineering Math) Festival organized by Harmony School of Advancement. Students will be presenting their STEM projects that they have studied over the past semester on different curriculum based STEM topics. Following activities will be held during the STEM Festival:

STEM EXPO
ROCKET LAUNCH
GAMES
INTERNATIONAL DAY CELEBRATION
INTERNATIONAL FOOD
ART EXHIBITION
HEALTH FAIR
SILENT AUCTION

And much more! Entrance is FREE and food will be sold during the event. Harmony School of Advancement organizes this event to inspire and motivate our students to consider a STEM career by creating an awareness of STEM possibilities for teachers, parents and students.
